

# Creating with Derwent Inktense Pencils

## Painting a Simple Apple

### 3 Hour Workshop

Nancy Prince

**Workshop Description:** Coloring books are all the rage right now. Why not take this craze and transform it to fabric using Derwent Inktense pencils. Creating with these pencils is as easy as coloring and it is amazing what these pencils can do. A pattern of an apple will be supplied and then the penciling begins. Watch as a paintbrush and my special fabric medium transforms the “penciling” into a beautiful, dramatic and colorful work of art. There is an artist in all of us just waiting to get out!! So come join me for a few hours of total fun.

#### **Supplies to bring:**

- Small washcloth (preferably an old clean one)
- Small container for water
- Small apron – accidents do happen

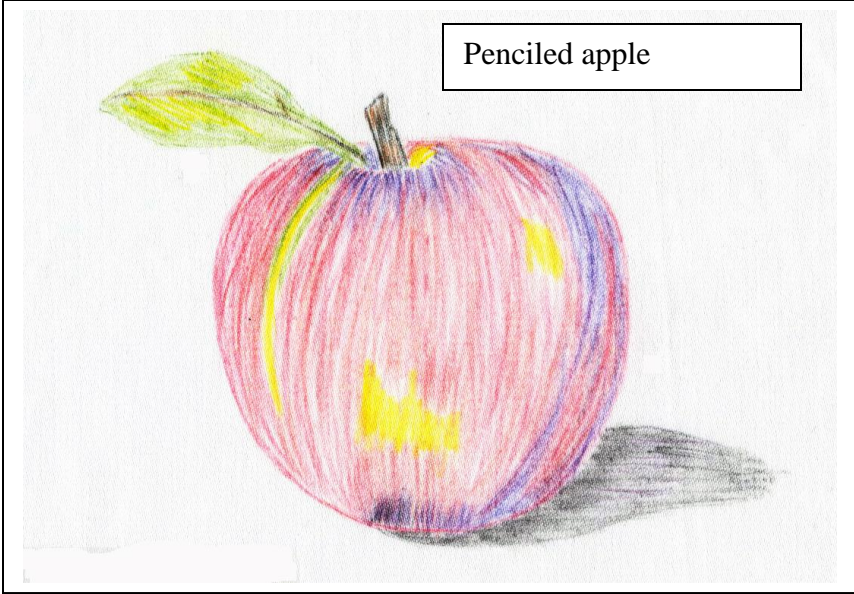

**NOTE: Have favorite brushes – bring them with you.**

#### **Workshop Kit Fee: \$59.50**

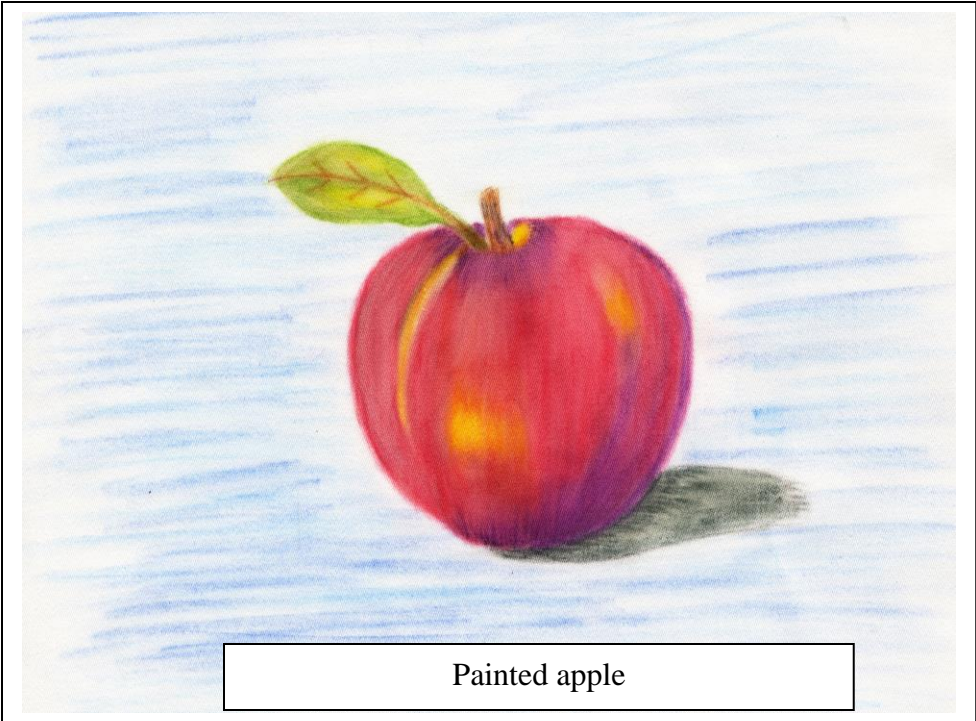

1. (9) Derwent Inktense pencils
