

**Country Threads**  
**@Home with Nancy**  
**3 hour Zoom Workshop**  
**Nancy Prince**

**Workshop Description:** A simple design, a few spools of thread and a willingness to learn are all that is required to be successful in this workshop. This workshop is a great way to ease into thread painting and learn the basics – a good refresher if you have already taken a workshop from me. It's fun and addictive. So come and have some fun.

**Checklist to prepare for workshop:**

1. Ten days before the workshop register for the workshop kit and any needed products
2. Know Zoom requirements
3. Prepare your sewing machine for free-motion

## Notions

- Basic sewing supplies – machine scissors, 80/12 Microtex sharp or topstitch machine needles, tweezers, seam ripper,
- Sewing machine
- ***Please know how your machine works and make sure it is in good working order before class. For thread painting you will need to know how to drop the feed dogs, how to adjust your machine for free-motion machine embroidery, how to change the upper tension and know where to change the width on the zigzag stitch. If you are unsure of these machine adjustments, please check with your machine dealer before class. A solid sewing platform is recommended. You will need a zigzag throat plate. Thanks for checking this out before class.***
- **Open** toe free motion foot from left in photo: Bernina, Janome or Baby Lock and Pfaff. Visibility on machines with a clear oval plastic foot is practically zero. Cutting away between the two red lines on this type foot works on most machines. Check with your machine dealer for optional free motion feet.
- Black permanent ultra-fine point marker
- High tension or embroidery bobbin case (only if you have one)
- Knee lift (only if you have one)

Appropriate free motion feet
