

# Learning to Create with Derwent Inktense Pencils

## Mushrooms on Parade

### 6 Hour Workshop

#### Nancy Prince

**Workshop Description:** A bit of mystic surrounds how to use Derwent Inktense pencils. Hopefully after completing this project related workshop your comfort level will soar with these pencils. Creating with these pencils is as easy as coloring. Watch as a paintbrush and my special fabric medium transform the “penciling” into a beautiful, dramatic and colorful work of art. No painting skills are necessary! There is an artist in all of us so join me for a few hours of fun.

#### **Supplies to bring:**

- Small washcloth (preferably an old clean one)
- Small container for water
- Small apron – accidents do happen
- 36 or 72 set of Derwent Inktense Pencils (**can be purchased in class but must be preordered before class**)
